

The Queen's Green Canopy

"Plant a Tree for the Jubilee"

The Queen's Green Canopy (QGC) is a unique tree planting initiative created to mark Her Majesty's Platinum Jubilee in 2022 which invites people from across the United Kingdom to "Plant a Tree for the Jubilee".

Whether you're an individual hoping to plant a single sapling in your garden, a scout group or school planting a large tree or a Council intending to plant a whole avenue of trees to mark The Queen's Platinum Jubilee, everyone is encouraged to play their part to enhance our environment by planting trees during the official planting season between October to March. Tree planting will commence again in October 2022, through to the end of the Jubilee year.

Plan, Plant, Protect

We recommend you order your tree(s) from a certified Plant Healthy or accredited nursery in your area. To learn where to plant and how to secure a healthy tree, visit our PLAN page. The PLANT and PROTECT pages will guide you from the planting stage to the important aftercare of your tree(s).

The QGC Map

Once you have planted your Jubilee tree, you can add it to the QGC Map which aims to create a digital record of the green canopy of tree planting projects across the country.

Tree packs for schools and communities

As well as buying your own trees, schools and community groups can also apply for free tree packs through our partners the Woodland Trust and The Conservation Volunteers, available on a first come first served basis. For tree plantings in Northern Ireland, The Conservation Volunteer will be supply free tree packs.

Commemorative plaques

You may also wish to mark the occasion with a Queen's Green Canopy commemorative plaque. The QGC is offering a physical, as well as a virtual commemorative plaque option, in keeping with an environmental initiative.
